

Paper Chain Garlands

Print, trim, and color them in!

Link them together with a little glue on a paintbrush. Post your creations on social media with @renmeleon and #rendigiadvent17 and I'll post it on my site.

And dont forget to go to www.renmeleon.com every day between Dec 1st and Dec 25th for a new toy or project download. PLUS if you signup for my newsletter I will send you a bonus download!

If you have a classroom or make these as a gift to someone else, please drop me an email at renmeleon@gmail.com and I might have some other goodies for you!

Enjoy!
